

## CALL FOR EXHIBITORS AT NZUKO 2022 CONFERENCE 24-25-26 May

### **About the event**

AfricaFora is proud to present **Nzuko 2022**, the second edition of its Africa Economic & Cultural Week. Bringing Africa, her diaspora and allies together, the conference is articulated around Africa Day (May 25) to discuss Africa's future and reframe the narrative by placing its citizens at the core.

Africa's future and successes in facing the health, economic climate and security crises will be defined by the strength of the ties between continents; that can only come through honest dialogue. On 24, 25 and 26 May, AfricaFora warmly invites you to join us to listen and contribute to the solution-based debates by experts and thought leaders.

### **How you can join us**

For proper representation and diversity, we welcome organisations and individuals with products, inventions and services in line with our vision of a great, sustainable and self-sufficient Africa, to join us as exhibitors. Showcase your collaborations and contributions to a prosperous Africa and take the floor to share and inspire your successes with like-minded experts, professionals and audiences. Contact us now at:
